RESCUE PICNIC MOTHERS' DAY

Secretary Of State Is
Principal Speaker At
10th Community Event

The principal speaker at the tenth annual Mothers' Day picnic at Rescue, on Sunday, will be Secretary of State Paul Peek, it was revealed during the week by the committee in charge.

The picnic will be held as usual at the grove on the Litten-MacDonald ranch and all who wish to do so are welcome to attend. It is usually the case that those who do not prepare their own lunches are able to obtain them on the picnic grounds.

The schedule for the day will be about as in former years: formal exercises at ten o'clock; then a picnic, and then a general sports program in the afternoon.

Dr. L. J. Anderson will be the master of ceremonies for the formal exercises and the county high school band and the Rescue 4-H Club orchestra will assist in the program. Speakers will include Secretary of State Paul Peek, Superior Judge A. L. Pierovich, of Amador County, Charles O. Busick, Jr., of Sacramento, and Miss Margaret Kelly, of Kelsey, who will give the Mothers Day address.

Entertainment will include an exhibition quadrille by the Pioneer Quadrille Club, of Placerville, an exhibition by a set from Sacramento, and a program of exhibition dances by another Sacramento group.

Users Rest In Water Hearing

Georgetown Company's
Presentation Opens
Before R. R. Commission

The presentation of the testimony in support of the complaint of the Georgetown Water Users against the service of the Georgetown Divide Water Company, Ltd., was concluded Wednesday afternoon in a hearing at the court house before Commissioner C. C. Baker, of the Railroad Commission.

Thursday morning, hearing opened in the matter of the company's answer to the users' complaint.

The taking of testimony in support of the complaint was in a series of hearings which opened a year ago. There was no indication up to noon Thursday as to whether the hearing which opened Wednesday may be continued into Friday, or whether a recess may be taken late Thursday until a later date.

Still pending in connection with the same matter is the matter of the company's application for an increase in rates, and the further matter of an inquiry by the Railroad Commission into the water company's affairs.

MOTHERS' DAY PROGRAM AT SMITH FLAT SCHOOL

On Wednesday afternoon the children of the primary grades of the Smith Flat School were hosts and hostesses to their mothers.

Mothers were invited to come at one o'clock and observe the classes in session, then to remain for the following program:

Songs, "My Dolly" and "Sing, Said the Mother," primary children; Readings, "How Mothers Day Came to Be," John Reddick; "Our Custom of Wearing Flowers," Paul Elbert; "A Mothers Day Resolution," Lloyd Christensen; "When Mother Was a Little Girl," Ann Elbert and Forestide Perryman; Song, "Ten Little Girls," first grade girls; Story, "A Wonderful Mothers Day," Harvard Gastaldi and Albert Pierce; Readings, "When Mother's There," Eileen Carpenter; "Nobody Knows But Mother," Elsie Ench and Rita Berthelot; Selections, "Country Gardens," and "Shoemaker's Dance," Rhythm Band.

Following the program Mrs. Swift took the opportunity to express her appreciation of the fine new blackboards installed by the Parent-Teacher Association and to tell how they aided in more efficient and extensive work. She also announced the semi-annual card party to be held at the school Friday evening, May 10. Funds raised from it will be used to make further improvements in the primary building.

Refreshments were served to the Mothers at nicely appointed card tables, and to the children. Assisting were older sisters of primary children from Miss Chanes' room: Patty Ault, Dolores Buchanan, Eva Collins, Myrtle Elbert, Doris Foster, Joyce Ratliff, Janet Reddick.

Sheriff George M. Smith, Deputy Euell Y. Gray and Park Stark were at Lincoln Wednesday evening attending the regular meeting of the Peace Officers' Association.

THE RECENT DEATH OF Robert N. Day, whose picture adjoins, recalled his many activities during his lifetime, which included a period during which he operated traction engines hauling lumber between Camino and the rail head at Placerville. This brought to light what is, perhaps, a picture of the only time a lumber locomotive was hauled through Placerville's Main Street. The engine is the Michigan-California Lumber Company's "Four Spot," which the company took out of service this Spring at Pino Grande. The figure in the picture just below the cab of the engine is Mr. Day. The "Four Spot" went into service in 1902 or 1903, and so it would seem that the picture is of that date.

Mrs. Chemnitz Bade Farewell

Public Welcome To Meet
With Soroptimists To
Hear Noted Authoress

Mrs. June Chemnitz, who recently moved to Sacramento, resigned as president of the Soroptimist Club of Placerville at the club's regular luncheon Wednesday at Hotel Raffles. Bidding Mrs. Chemnitz adieu, members of the club presented her with an appropriate remembrance.

The club advanced Mrs. Rita May from the vice-presidency to be presiding officer and elected Mrs. Lettie Longhurst as vice-president.

Much interest is reported by club members in the meeting for Wednesday, May 15th, when Mrs. Sanborn Young, known to millions of readers of books and magazines as Ruth Comfort Mitchell, will be the guest speaker.

Owing to the great interest which the announcement of Mrs. Young's visit to Placerville has created, the club has arranged that any who wish to do so may attend their luncheon meeting Wednesday. Reservations should be placed at the hotel desk.

Club members report that the speaker at the May 22nd meeting will be Mrs. Lawson, another of California's distinguished women, and this meeting also will be open to the public. Reservations for luncheon places may be placed at the hotel desk.

Charles Hand Reported As Resting Easier

The condition of Charles E. Hand was reported Thursday noon at Placerville Sanatorium as showing improvement.

Mr. Hand was admitted to the hospital on Sunday for the treatment of hiccoughs which had come upon him the preceding Tuesday and which he had been unable to stop.

During the fore part of the week, Mr. Hand was able to get short periods of rest under the influence of sedatives and Dr. W. A. Reckers reported Wednesday the patient was showing some slight improvement.

The report Thursday was that the hiccoughs had been stopped for a period of about eight hours and that the spasms had then been resumed, although less violently than had previously been noted.

Mrs. Caswell New Head Of Women's Society

The Women's Society of the Federated Church held its regular business meeting on Wednesday afternoon following a potluck luncheon. New officers, with Mrs. J. W. Caswell as president, were installed and Mrs. Martin Luther was presented with a gift from the society in appreciation of her five years of service as president.

F. R. WINS BY 3 TO 1 COUNT

Election In County
3,319 Of 7,531 Eligible
Participated In Primary

SAN FRANCISCO (UP)—California Democrats sought party harmony today as the victorious Roosevelt third term forces warily surveyed the surprisingly heavy Republican vote in Tuesday's primary.

The Roosevelt delegation was elected by an overwhelming three to one margin over the combined vote for three opposition tickets. However, the total Democrat vote was only 44 per cent of the party registration, whereas the Republicans polled 42 percent with no competition or contest.

With only a few outlying precincts to be counted, the Democratic vote was expected to reach 750,000 for President Roosevelt, (75 per cent) 120,000 for John Nance Garner (12 per cent); 90,000 for Willis Allen and the ham and eggs pensioners, (9 per cent), and 50,000 for Lt. Gov. Ellis Patterson and the left wingers (5 per cent)—a total of about 1,010,000.

The Republican vote was expected to total about 525,000.

El Dorado County Democrats joined with partisans throughout the state Tuesday in endorsing Franklin D. Roosevelt for a third term as President.

Forty-four precincts complete gave the Roosevelt-pledged slate in the presidential primary a total of 1718 votes as against a total of 575 votes for the other three Democratic slates.

These were: pledged to Vice-President John N. Garner, 280; pledged to Willis Allen, 199; and pledged to Lieut.-Gov. Ellis Patterson, 96. To Willis Allen, 191; and pledged to Lieut.-Gov. Ellis Patterson, 89.

On the single Republican slate, the forty-four precincts gave a total vote of 968.

There were 4936 Democrats qualified to vote in the election and the returns thus far indicate that 2,322 of them cast ballots. On the Republican side, 2,595 were registered and a total of 997 votes is reported.

Soap Box Derby Dinner Monday

Race Dates Likely To Be
Set Following Meeting Of
Mother Lode Association

While Soap Box Derby entries along the Mother Lode—and elsewhere throughout the Nation, too—are whipping their racing cars into shape, the Mother Lode Soap Box Derby Association has scheduled a dinner meeting Monday evening at Hotel Raffles to advance preparations for the race.

The association, of which Harry Lepape, of Sonoma, is president, is made up of newspaper publishers and Chevrolet automobile dealers along the Mother Lode, in Sonoma, Jackson, Placerville, Auburn, Grass Valley and Roseville.

Jackson Howell, zone manager for Chevrolet and also for the derby, will likely be here to attend the meeting and it is believed that after the meeting, dates for the El Dorado County Derby and also for the Mother Lode Derby, which will follow, may be announced.

Meanwhile, there is still time for boys between the ages of 11 and 15 years to enter the race. They should apply at the Cannon Chevrolet agency for entry blanks and rule books.

CRIPPLED CHILDREN'S CLINIC MAY 17TH AT CLUBHOUSE

Attention is again directed to the crippled children's clinic to be held in the county at the Shakespeare Clubhouse on Friday, May 17th, from nine o'clock in the morning until 3 o'clock in the afternoon.

Persons under the age of twenty-one years who are crippled because of illness or accident, or who suffer from congenital malades, are eligible to the clinic, except that those now under treatment by a physician should obtain their doctor's consent to their participation.

Further details may be obtained upon application to Mrs. Helen Byrnes, county nurse, and Miss Leone Holm, Placerville school nurse.

Leslie Brown Ferguson, of Georgetown, and Geneva Evans, of Nevada City, were married on May 4 at Nevada City, according to reports from that place.

RELIEF "NEED" \$38,000,000

Legislature Fact-Finding
Committee May Recommend
Administration By County

SACRAMENTO (UP)—Members of the joint legislative fact finding committee on relief estimated today that \$38,000,000 will be required to carry on the state dole for the 13-month period from June 1 of this year to July 1, 1941.

The committee met at the capitol to draft recommendations to the legislature based on hearings held in all parts of the state during the two month recess of the special session called by Gov. Culbert Olson in January.

The session reconvenes next Monday.

A \$38,000,000 relief appropriation would raise the total for the 1939-41 biennium to \$87,000,000. The proposed 13-month allotment was based on the same schedule of payments contained in the \$12,200,000 appropriation voted in February to last until June 1. This measure set a maximum family budget of \$58 a month and imposed other rigid restrictions which resulted in a substantial decline in relief costs.

The committee is expected to recommend the return of relief administration to the counties, a move strongly opposed by Governor Olson.

The governor declared, however, that the relief problem is entirely up to the legislature and said he would not submit a recommendation on the amount of the appropriation. He conceded that any program he presented would be rejected by the anti-administration majority in the legislature.

BASEBALL MOGLIS TO MEET AT DINNER MONDAY AT LINCOLN

The officers and directors of the Placer-Nevada Baseball League will hold a dinner meeting next Monday night, May 13th at Lincoln to which all players and fans including the ladies are invited. The affair is to be held at the Lincoln Inn at 8 p. m.

The only unfinished business to come before the directors will be the adoption of the second half schedule which was submitted by schedule maker Norman Spanjer of Auburn at the last meeting.

Reservations for the dinner should be made with the league secretary, Scoop Thurman at Colfax, not later than Friday of this week.

Roseville Infielder Benched For Assault

"Babe" Perry, Sacramento ball player who plays third base for the Wolf and Rayer club of the Placer-Nevada League, has been suspended indefinitely by president Stanich for hitting umpire Bill Clancy during the opening night game played at Roseville last Friday night. The attack on the umpire occurred in the ninth inning of the game when Clancy called a player safe at third base. The Wolf and Rayer club was ten runs ahead at the time and two of their opponents were out. Wolf and Rayer won the game, 17 to 7.

DO YOU NEED MONEY?

ANNOUNCING A \$2500.00 CA And Weekly Pay Ch

All bonus checks to be distributed to any man or woman who wishes to enroll and work for bonus checks. You are welcome to share the pay check. It is not required that you be a subscriber to The Mountain Democrat or the Placerville Republican to make application. The campaign reaches the Campaign Department without delay . . . Do it NOW! . . . Don't wait!

IMPORTANT NOTICE

These newspapers want one particular phase of this campaign understood by any who contemplate accepting the campaign as a means of adding to their present income. First IT IS NOT A CONTEST. second, THERE IS NO HOUSE-TO-HOUSE CANVASSING connected with this work. Every worker will be provided with names or lists to work from. A worker will merely carry on his or her work by the use of these especially prepared lists and only by calling upon those whom you are personally acquainted with. This plan of campaign is one of a very dignified nature, the work is pleasant and highly profitable. Make your application at The Mountain Democrat and Republican Campaign Office today or telephone 91 or 65 for full and complete details concerning this most unusual way of earning spare time money. Get on the regular Wednesday and Saturday payroll.

The Plan In Brief

The object of the big distribution is two fold: primarily to increase the already large subscription lists of these newspapers, and at the same time afford our friends and readers an unparalleled opportunity to profit, and in a big way, through their spare time during the next few weeks; and to the ultimate good of all concerned.

In order to gain this end and advantageously, the most valuable and attractive list of bonus checks ever offered by a local newspaper in this section of the country has been made for distribution among those who participate most heartily. Ambition and energy are the only requisites for success. The plan adopted is the fairest and most impartial conceivable. There will be no "Double Point" offers, extra points given or Point Inducements whatsoever, inaugurated during this campaign.

Neither will there be any long term subscriptions accepted. The plan of this campaign is straightforward and simple and is fully outlined in this announcement.

Let it be understood at the very outset that this is not a "beauty" or a "popularity" contest, but a strictly legitimate proposition for enterprising men and women, and one in which no element of chance enters. One feature of this campaign is the fact that there will be no losers. Everyone gets paid.

The next step is to call on or write the Campaign Department for a free working outfit, consisting of an official receipt book, sample copies of these newspapers, and other information relative to launching an active campaign.

HOW TO ENROLL IN THE CAMPAIGN

The first step in order to become a worker is to clip the enrollment coupon appearing in this announcement, fill in your name and address and deliver to the Campaign Department.

This coupon entitles the person who might enroll to 5000 points. These points are issued as a starter, and start one on the way to a Big Bonus Check. Only one such enrollment coupon will be accepted for each worker enrolling.

HOW POINTS ARE SECURED

Thus equipped you have but to go to your friends and neighbors, relatives and acquaintances and have them clip the free coupons from the papers, and pay up a subscription to The Mountain Democrat and/or the Placerville Republican through you. That's all there is to it. However, you will never earn anything unless you make a start; and while it will not be a very difficult thing to earn one of the Big Bonus Checks, nevertheless, it is necessary that you start early. You must plan your campaign the same as any successful business man plans out his work for a season, and above everything else, let no one discourage you, stick to it and finish. A few short weeks and you may have a pocketful of cash.

It takes Points to get a Bonus Check and Points are secured in two ways: First, by clipping the coupons in these newspapers. Start gathering them NOW. The only restriction placed on casting them is that they must be deposited at the Campaign Department before the expiration date printed thereon. Get your friends to save these coupons for you—they all count. The other and faster way

to get Points is by securing new and renewal subscriptions to The Mountain Democrat or and the Placerville Republican. On each subscription turned in a certain number of Points is given, varying according to the amount and during which "period" same are received at the Campaign Department. See schedule for points elsewhere. So you see, the more subscriptions you can get, the better your opportunities are to secure the Bonus Check of \$500.

EARLY START MEANS EASY FINISH

The advantages of an early start are manifest. Not only do you have the FULL TIME in which to secure the BIG POINTS, but now and up to and including June 21st, you will receive the maximum schedule of Points on subscriptions. Then, too, the first in the field will undoubtedly get the "Cream" of Points and subscriptions, while those who put off enrolling until a later date will have to take what is left.

Don't lose valuable time waiting to "see what the other fellow is going to do," but pitch right in and show the "other fellow" how to do it.

The Mountain Democrat and T

EVERYBODY WILL

A Good Spare Time Position

One of the nice features of the Bonus Check campaign is the fact that the work can be carried on on a spare time basis. The people who will do this work will be people with other things to do besides this, so naturally that puts the campaign on a spare time basis. The people who will be associated with this campaign will all be local people. It will be a friendly campaign all working for a local institution, earning good spare time money. Right here at home you will have an opportunity to earn more money than most people earn who are regularly employed and do the work in your spare hours. Remember, you get paid every Wednesday and Saturday night. For a few hours a day spare time effort you will earn from \$18 to \$25 per week. Do not delay your enrollment. Clip out the enrollment blank on this page, fill it out and see that it reaches the Campaign office without delay!

HOW THE MONEY WILL BE DISTRIBUTED

The person compiling the highest number of Points during the campaign will be paid the \$500 Bonus Check.

The person compiling the next highest number of Points during the campaign will be paid the \$200 Bonus Check.

The person compiling the next highest number of Points during the campaign will be paid the \$100 Bonus Check.

The next two persons compiling the next highest numbers of points during the campaign will be paid the two \$50 Bonus Checks.

All other workers in the campaign not receiving one of the above mentioned Bonus Checks will be paid as follows:

Campaign Is Not A Contest

This campaign must not be misunderstood, it is not a contest, merely a straight wage-earning, business proposition. In this plan of campaign there are no phases of contest plan. All that is asked of anyone who takes an active part in the campaign is that they put forth an honest, sincere effort to earn SPARE TIME MONEY—Nothing Else. Right here at home without one cent of investment, you have an opportunity to earn more money than most people who work all day long for a period of four months. Look at the proposition from this angle: First, it is a business proposition; second within a very short time, someone right here in El Dorado County will receive these Bonus Checks; you are as capable as anyone; the whole thing is up to you. You can succeed if you apply for the work, and enroll right now!

What Would \$500 Mean To You?

Stop and consider just what \$500 would mean to you. This amount of cash would come in mighty handy to you right now; or \$200, or \$100, or even \$50. Indeed, to the average family even the twice-a-week Pay Checks would help out a great deal. The campaign workers who do not receive one of the Bonus Checks will earn from \$18 to \$25 a week for the next nine weeks. Understand, there is absolutely no element of chance in this campaign. It is simply a straight wage-earning plan. Nothing to win. This campaign is strictly an earning proposition. If you are not afraid of work, apply right now at this office or telephone 91 or 65 and the details will be brought to your home without the slightest obligation. DO IT RIGHT NOW!

THIS CAMPAIGN IS ABSOLUTELY A BUSINESS PROPOSITION

This campaign is strictly a business proposition for live, ambitious people who wish to add to their present income by cashing in on spare time. We say spare time because the people who will enter this campaign will be people who are employed people—people who have other things to do besides this—so that puts the whole proposition on a spare-time basis. This is work that can be carried on successfully in one's spare time. Everyone has some time in which to make money. All one has to do to receive one of these Bonus Checks is WORK—nothing else. If you are going to enter—ENROLL NOW.

\$1600 In Twice-a-week Checks

A special fund of \$1600 has been set aside to be used in the form of twice a week guaranteed pay checks to all workers who do not earn one of the Bonus Checks. In other words, the following amounts of cash will be paid twice weekly to all workers whether you receive a Bonus Check or not. There is no element of chance in this campaign. There is Nothing to Win and Nothing to be Given Away. This Campaign is simply good

spare time employment, a way to earn money. On the following basis the Weekly Pay Will Run from \$18 to 25 per week.

HERE IS YOUR OPPORTUNITY!

MOUNTAIN DEMOCRAT -- PLACERVILLE REPUBLICAN Bonus Check Headquarters

The campaign is under personal supervision of THE CALIFORNIA NEWSPAPER PUBLISHERS' ASSOCIATION. The campaign department is located at 443 Main Street. The telephone number is 91 or 65. Campaign department office hours are from 9:00 a. m. to 6:00 p. m. daily; Wednesday and Saturday evenings, 7:00 p. m.

Rules and Regulations

1. Any reputable man or woman is eligible to enroll in this campaign and work for a Bonus Check. Applications may be made from this date until June 17th, 1940. No applications will be accepted after that date.
2. No employee of the Placerville Republican and The Mountain Democrat is eligible to enter this distribution. This rule does not apply to county news correspondents or to parents of carrier boys. These newspapers reserve the right to reject any applications.
3. To determine those receiving Bonus Checks, same will be decided by their accredited Points, said Points being represented by ballots issued according to the rules of the campaign.
4. Workers are not confined to their own particular town or community in which to secure Points and subscriptions, but may take orders anywhere in this section, anywhere in the United States for that matter.
5. Cash must accompany all orders where Points are desired. There will be no exception to this rule. Workers will be allowed to collect subscriptions and secure new subscriptions. Points will be issued for both.
6. Points are free. It costs the subscriber nothing to cast these Points for his or her favorite worker. Subscribers should ask for points when paying their subscriptions.
7. Points cannot be purchased. Every cent accepted through the Campaign Department must represent subscriptions.
8. Points are not transferable. Workers cannot withdraw in favor of another worker. Should a worker withdraw from the campaign, his or her points will be cancelled. Neither will it be permissible for workers to give or transfer subscriptions to another worker. Points on such transferred subscriptions will be subject to disqualification at the discretion of the campaign manager.
9. Any collusion on the part of the worker to nullify the campaign or any combination arrangement or effort to the detriment of the workers of this newspaper will not be tolerated. Any worker or workers entering into or taking part in such an arrangement, agreement or effort will forfeit all rights to a Bonus Check or Pay Check. Also, no worker is permitted to ask another worker to withdraw and become a co-worker.
10. Any Points issued on subscriptions may be held in reserve and published at the discretion of the worker, but it is understood that workers will not be allowed to use their credits in any manner detrimental to the campaign of other workers. The printed Free Coupons appearing from week to week during the campaign must be cast for the workers on or before the date appearing therein.
11. In the event of a tie for any one of the Bonus Checks, Bonus Checks for identical value will be given tying workers.
12. An extension subscription will count Points according to the regular schedule prevailing in the period in which the original subscription was turned in, with the exception of the final period.
13. No statement, assertion, or promise, either verbal or written made by a representative, solicitor, agent, or workers varying from the rules and regulations published through the columns of this newspaper will be recognized by the publishers of this newspaper or the campaign management.
14. In case of typographical or other error it is understood that neither the publisher nor the

campaign manager shall be held responsible, except for the necessary correction upon same.

15. Every worker is an authorized agent of these newspapers and as such, may collect subscription payments from present as well as new subscribers.

16. It is distinctly understood and agreed that workers will be held responsible for all moneys collected, and that they will remit such amounts in full at frequent intervals or on demand to the Campaign Department.

17. There will be several big Bonus Checks to be distributed beside the 20-per cent commission Pay Checks to all ACTIVE non-Bonus Check workers. Workers receiving a Bonus Check do not participate in the commission feature. Any commission money drawn during the campaign is deducted from those receiving a Bonus Check. All workers must remain active throughout the campaign by turning in a one-year subscription each week and failure to do so, will at the discretion of the campaign manager forfeit all rights to a Bonus Check.

18. To secure absolute fairness in the distribution of Bonus Checks, the campaign will be brought to a close under a sealed ballot box system, and will be under the personal supervision of two or more judges.

And not until the campaign has been declared closed will the seals be broken, the box unlocked and the judges being the final count. In this way, no one, not even the campaign manager, can possibly know the standing of the respective workers, which precludes any possibility of favoritism and insures fairness to the minutest degree.

19. These newspapers reserve the right to add to this list of Bonus Checks at any time during the campaign.

20. The only Points prevailing in this campaign are those appearing on the worker's receipt book and those as explained in the rules and regulations of this campaign.

21. One hundred and fifty thousand extra Points will be given a worker for each group of three yearly subscriptions on The Mountain Democrat or its equivalent turned in during the first week of enrollment. The week of May 23rd to June 1st, inclusive, will be known as "Opportunity Week." During the week 500,000 extra Points will be given for a five-year subscription on The Mountain Democrat or a two-year subscription on the Placerville Republican, and each worker will be limited to 10 of these subscriptions. Also during this week 200,000 extra Points will be given for every three yearly subscriptions on The Democrat or its equivalent and as many of these 200,000 Points coupons may be used as a worker secures subscriptions to cover during this week.

22. These newspapers guarantee fair and impartial treatment to all workers, but should any question arise, the decision of the campaign management is absolute and final.

23. The campaign opens today and closes July 13th.

24. All extra Point Certificates will be issued at the close of periods.

25. A worker may reserve the right to enlist the aid of as many helpers or co-workers as he or she desires.

26. Anyone not on the subscription list of these newspapers prior to May 9th, 1940, constitutes a new subscription.

Important First Week Coupon

During a worker's first week of enrollment 150,000 Points will be issued with every group of three yearly subscriptions to The Mountain Democrat or its equivalent, and as many of these coupons may be used as a worker secures subscriptions to cover this week.

L. D. S. CONFERENCE TO BE HELD AT SHAKESPEARE CLUBHOUSE

Plans by the local organization of Latter Day Saints Church have been completed for the welcoming of Dr. Widtsoe and wife and President Macdonald and wife to the first semi-annual conference of the El Dorado District of California Mission to be held here, May 13 and 14.
